

Millions of employers and taxpayers all have the same thing to say:

Thank you, Senator, for what you have done for America.

Thank you for having the courage of your convictions and doing the right thing for America by voting in favor of a budget resolution which cuts taxes by \$1.35 trillion over the next 10 years.

And please

Now, as the tax cuts approach another important vote in the Senate, we ask you to please stay the course.

Our nation's economic strength and growth depend on your continued strong support.
